Hi, I'm the RunPee app.
 I'll tell you the best time to run and pee during a movie without missing the best scenes.
 Plus a whole lot more...

Available for:

the age of machines

- ❖ the relentless energy of **ai** and **ml** is rapidly *reducing the world to data*
- ❖ intelligent **machines** operating flawlessly and without human intervention
- ❖ the **internet of things** and the promise of collective intelligence

objects in the future ...
are closer than they appear

brace for impact

together, we got this ...
